

FOR IMMEDIATE RELEASE

VJ Electronix Partners with Torenko & Associates

October 2019 — VJ Electronix, Inc., the leader in rework technologies and global provider of advanced X-ray inspection and component counting systems, is pleased to announce the appointment of Torenko and Associates as its manufacturers' representative. Ron Torenko and his team will represent VJ Electronix throughout the southern central U.S. states of Texas, Oklahoma, Louisiana and Arkansas.

Over its 43 years in business Torenko has established strong relationships with its accounts and developed a reputation for being a leader in technology in the area.

“We are happy to have Ron Torenko representing VJE products in the Texas territory,” explains Bob Kerwin, VJE Regional Sales Manager. “Ron’s wealth of experience and knowledge of the SMT industry is unmatched in that area and we look forward to working with Ron in the future.”

Torenko and Associates is headquartered in the Dallas/Fort Worth metroplex with other locations in the regional USA and Mexico. Sales Engineering personnel are factory trained, process knowledgeable, and have process experts standing by for assistance via conference calling and onsite meetings. For more information, visit www.torenko.com.
